group of psychologists that have used the Jigsaw group to try to stop it for the past few years. They succeeded in stopping Jigsaw, but the group reformulated into five new persons who are experts on their particular field. Jigsaw then makes this new group loose themselves in the woods, and their families have to work on puzzles in order to find them. At the end of the film, it is revealed that Jigsaw is back, and is now in

the jail. This is the same place that he has most often escaped from. Jigsaw once again takes the prisoners and forces them to take part in various Saw-themed experiences. After each torture, the prisoner is left to look for a trap door in a certain location. The prisoner will be struck by a barbell and be branded with a clue of the game. The game ends when the prisoner finds the trap door, which leads to a room with Jigsaw and his accomplices.

---

Jigsaw proclaims that he has finally found the people to blame for this horror, because they had forced him to take revenge on them. However, they all then find out that the game was a hoax. Jigsaw has kidnapped his assistants and held them hostage. Jigsaw forces each of them to watch the same videos. In the video, Jill tucks her husband into bed. Once the player f678ea9f9e
